(b) Interest on each Current Interest Bond shall accrue from its dated date as set forth in the Contract of Purchase. Interest on Current Interest Bonds shall be computed using a year of 360 days comprised of twelve 30-day months and shall be payable on each Interest Payment Date to the Owner thereof as of the close of business on the Record Date. Interest with respect to each Current Interest Bond will be payable from the Interest Payment Date next preceding the date of registration thereof, unless (i) it is registered after the close of business on any Record Date and before the close of business on the immediately following Interest Payment Date, in which event interest thereon shall be payable from such following Interest Payment Date; or (ii) it is registered prior to the close of business on the first Record Date, in which event interest shall be payable from its dated date; provided, however, that if at the time of registration of any Current Interest Bond, interest with respect thereto is in default, interest with respect thereto shall be payable from the Interest Payment Date to which interest has previously been paid or made available for payment. Payments of interest on the Current Interest Bonds will be made on each Interest Payment Date by check or draft of the Paying Agent sent by first-class mail, postage prepaid, to the Owner thereof on the Record Date, or by wire transfer to any Owner of \$1,000,000 aggregate principal amount or more of such Current Interest Bonds, to the account specified by such Owner in a written request delivered to the Paying Agent on or prior to the Record Date for such Interest Payment Date; provided, however, that payments of defaulted interest shall be payable to the person in whose name such Current Interest Bond is registered at the close of business on a special record date fixed therefor by the Paying Agent which shall not be more than fifteen days and not less than ten days prior to the date of the proposed payment of defaulted interest.

SECTION 10. Description of the Capital Appreciation Bonds and Convertible CABS.

(a) The Bonds issued as Capital Appreciation Bonds shall be issued in fully registered form in any Denominational Amount but shall reflect denominations of \$5,000 Maturity Amount or any integral multiple thereof, shall mature on the dates, in the years and in the Maturity Amounts, and shall accrete interest at the accretion rates, all as set forth in the Contract of Purchase.

(b) Interest on each Capital Appreciation Bond, if any, shall be compounded semiannually on February 1 and August 1 of each year until maturity, or as otherwise set forth in the Contract of Purchase, commencing on the date set forth therein, computed using a year of 360 days comprised of twelve 30-day months and shall be payable only at maturity as part of the Maturity Amount.

(c) The Bonds issued as Convertible CABs shall be issued in fully registered form in any Denominational Amount but shall reflect denominations of \$5,000 Conversion Value or any integral multiple thereof, shall mature on the dates, in the years and with the Conversion Values, and shall accrete interest at their Accretion Rate through the Conversion Date, all as set forth in the Contract of Purchase.

(d) Prior to the Conversion Date, the Convertible CABs shall not pay current interest. Prior to the Conversion Date, each Convertible Capital Appreciation Bond shall increase in value by the accretion of interest from its Denominational Amount on the date of issuance thereof to its stated Conversion Value at the Conversion Date. Prior to the Conversion Date, interest accreting on the Convertible CABs will be computed on the basis of a 360-day year comprised of twelve 30-day months, will be compounded semiannually thereafter on February 1 and August 1 in each year, or as otherwise set forth in the Contract of Purchase. No interest will be payable on any Convertible CAB prior to or on the Conversion Date.

(e) Following the Conversion Date, interest on the Convertible CABs shall be computed based upon the Conversion Value and on the basis of a 360-day year comprised of twelve 30-day months and will be payable on each Interest Payment Date, commencing on the first Interest Payment Date following the Conversion Date. Following its Conversion Date, each Convertible CAB will pay interest and be payable in the same manner as Current Interest Bonds.

SECTION 11. Tax Covenants. With respect to any Bonds intended to qualify as federally income exempt, in order to maintain the exclusion from gross income for federal income tax purposes of interest on the Bonds, this Governing Board hereby covenants to comply with each applicable requirement of Section 103 and Sections 141 through 150 of the Internal Revenue Code of 1986, as amended. In furtherance of these covenants, the District agrees to comply with the covenants contained in the Nonarbitrage Certificate. The District hereby agrees to deliver instructions to the Paying Agent as may be necessary in order to comply with the Nonarbitrage Certificate.

SECTION 12. Book-Entry System.

(a) The Bonds shall be initially issued in the form of a separate single fully registered Bond for each of the maturities of the Bonds. Separate Bonds may be issued to represent Current Interest Bonds, Capital Appreciation Bonds and Convertible CABs maturing in the same years, if any.

Upon initial issuance, the ownership of each such global Bond shall be registered in the Bond Register in the name of the Nominee as nominee of the Depository. Except as provided in subsection (c) hereof, all of the Outstanding Bonds shall be registered in the Bond Register in the name of the Nominee and the Bonds may be transferred, in whole but not in part, only to the

Depository, to a successor Depository or to another nominee of the Depository or of a successor Depository. Each Bond shall bear a legend describing restrictions on transfer, as may be prescribed by the Depository.

With respect to Bonds registered in the Bond Register in the name of the Nominee, the District shall have no responsibility or obligation to any Participant or to any person on behalf of which such a Participant holds a beneficial interest in the Bonds. Without limiting the immediately preceding sentence, the District shall have no responsibility or obligation with respect to (i) the accuracy of the records of the Depository, the Nominee or any Participant with respect to any beneficial ownership interest in the Bonds, (ii) the delivery to any Participant, beneficial owner or any other person, other than the Depository, of any notice with respect to the Bonds, including any Redemption Notice (as defined in Section 28 below), (iii) the selection by the Depository and the Participants of the beneficial interests in the Bonds to be redeemed in part, or (iv) the payment to any Participant, beneficial owner or any other person, other than the Depository, of any amount with respect to Principal of, premium, if any, and interest on the Bonds. The District and the Paying Agent may treat and consider the person in whose name each Bond is registered in the Bond Register as the holder and absolute Owner of such Bond for the purpose of payment of Principal of, premium, if any, and interest on such Bond, for the purpose of giving Redemption Notices and other notices with respect to such Bond, and for all other purposes whatsoever, including, without limitation, registering transfers with respect to the Bonds.

The Paying Agent shall pay all Principal of, premium, if any, and interest on the Bonds only to the respective Owners, as shown in the Bond Register, and all such payments shall be valid hereunder with respect to payment of Principal of, premium, if any, and interest on the Bonds to the extent of the sum or sums so paid. No person other than an Owner, as shown in the Bond Register, shall receive a Bond evidencing the obligation to make payments of Principal of, premium, if any, and interest, pursuant to this Resolution. Upon delivery by the Depository to the Paying Agent and the District of written notice to the effect that the Depository has determined to substitute a new nominee in place of the Nominee, and subject to the provisions hereof with respect to Record Dates, the word Nominee in this Resolution shall refer to such new nominee of the Depository.

(b) In order to qualify the Bonds for the Depository's book-entry system, the District is hereby authorized to execute and deliver to such Depository a letter from the District representing such matters as shall be necessary to so qualify the Bonds (the "**Representation Letter**"). The execution and delivery of the Representation Letter shall not in any way limit the provisions of subsection (a) hereof or in any other way impose upon the District any obligation whatsoever with respect to persons having beneficial interests in the Bonds other than the Owners, as shown in the Bond Register. In addition to the execution and delivery of the Representation Letter, the District, and its deputies and designees, are hereby authorized to take any other actions, not inconsistent with this Resolution, to qualify the Bonds for the Depository's book-entry program.

(c) If at any time the Depository notifies the District that it is unwilling or unable to continue as Depository with respect to the Bonds or if at any time the Depository shall no longer be registered or in good standing under the Securities Exchange Act or other

applicable statute or regulation and a successor Depository is not appointed by the District within 90 days after the District receive notice or become aware of such condition, as the case may be, subsection (a) hereof shall no longer be applicable and the District shall cause the issuance of bonds representing the Bonds as provided below. In addition, the District may determine at any time that the Bonds shall no longer be lodged with a Depository and that the provisions of subsection (a) hereof shall no longer apply to the Bonds. In any such event the District shall cause the execution and delivery of certificated securities representing the Bonds as provided below. Bonds issued in exchange for global bonds pursuant to this subsection (c) shall be registered in such names and delivered in such denominations as the Depository shall instruct the District. The District shall cause delivery of such certificated securities representing the Bonds to the persons in whose names such Bonds are so registered.

If the District determines to replace the Depository with another qualified securities depository, the District shall prepare or cause to be prepared a new fully registered global bond for each of the maturities of Bonds, registered in the name of such successor or substitute securities depository or its nominee, or make such other arrangements as are acceptable to the District and such securities depository and not inconsistent with the terms of this Resolution.

(d) Notwithstanding any other provision of this Resolution to the contrary, so long as any Bond is registered in the name of the Nominee, all payments with respect to Principal of, premium, if any, and interest on such Bond and all notices with respect to such Bond shall be made and given, respectively, as provided in the Representation Letter or as otherwise instructed by the Depository.

(e) The initial Depository under this Resolution shall be DTC. The initial Nominee shall be Cede & Co., as nominee of DTC.

SECTION 13. Execution of the Bonds.

(a) The Bonds shall be executed in the manner required by the Authorizing Law. In case any one or more of the officers who shall have signed any of the Bonds shall cease to be such officer before the Bonds so signed shall have been issued by the District, such Bonds may, nevertheless, be issued, as herein provided, as if the persons who signed such Bonds had not ceased to hold such offices. Any of the Bonds may be signed on behalf of the District by such persons as at the time of the execution of such Bonds shall be duly authorized to hold or shall hold the proper offices in the District, although at the date borne by the Bonds such persons may not have been so authorized or have held such offices.

(b) The Bonds shall bear thereon a certificate of authentication executed manually by the Paying Agent. Only such Bonds as shall bear thereon such certificate of authentication duly executed by the Paying Agent shall be entitled to any right or benefit under this Resolution and no Bond shall be valid or obligatory for any purpose until such certificate of authentication shall have been duly executed by the Paying Agent. Such certificate of the Paying Agent upon any Bond shall be conclusive evidence that the Bond so authorized has been duly authenticated and delivered under this Resolution and that the Owner thereof is entitled to the benefit of this Resolution.

SECTION 14. Transfer and Exchange. The registration of any Bond may be transferred upon the Bond Register upon surrender of such Bond to the Paying Agent. Such Bond shall be endorsed or accompanied by delivery of the written instrument of transfer shown in one of the Exhibits hereto, duly executed by the Owner or his duly authorized attorney, and payment of such reasonable transfer fees as the Paying Agent may establish. Upon such registration of transfer, a new Bond or Bonds, of like tenor and maturity in the same Principal Amount and in authorized denominations or Maturity Amounts, will be executed and delivered to the transferee in exchange therefor.

The Paying Agent shall deem and treat the person in whose name any Outstanding Bond shall be registered upon the Bond Register as the absolute owner of such Bond, whether the Principal, premium, if any, or interest with respect to such Bond shall be overdue or not, for the purpose of receiving payment of Principal, premium, if any, and interest with respect to such Bond and for all other purposes, and any such payments so made to any such Owner or upon his order shall be valid and effective to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid, and the District or the Paying Agent shall not be affected by any notice to the contrary.

Bonds may be exchanged at the office of the Paying Agent for Bonds of like tenor, maturity, Principal Amount, Conversion Value or Maturity Amount. All Bonds surrendered in any such exchange shall thereupon be cancelled by the Paying Agent. The Paying Agent may charge the Owner a reasonable sum for each new Bond executed and delivered upon any exchange (except in the case of the first exchange of any Bond in the form in which it is originally delivered, for which no charge shall be imposed) and the Paying Agent may require the payment by the Owner requesting such exchange of any tax or other governmental charge required to be paid with respect to such exchange.

The Paying Agent shall not be required to register the transfer or exchange of any Bond (i) during the period beginning at the close of business on any Record Date through the close of business on the immediately following Interest Payment Date, or (ii) that has been called or is subject to being called for redemption, during a period beginning at the opening of business 15 days before any selection of Bonds to be redeemed through the close of business on the applicable redemption date, except for the unredeemed portion of any Bond to be redeemed only in part.

SECTION 15. Bonds Mutilated, Destroyed, Stolen or Lost. In case any Bond shall become mutilated, the Paying Agent, at the expense of the Owner, shall deliver a new Bond of like date, interest rate, maturity, Transfer Amount and tenor as the Bond so mutilated in exchange and substitution for such mutilated Bond, upon surrender and cancellation thereof. All Bonds so surrendered shall be cancelled. If any Bond shall be destroyed, stolen or lost, evidence of such destruction, theft or loss may be submitted to the Paying Agent and if such evidence is satisfactory to the Paying Agent that such Bond has been destroyed, stolen or lost, and upon furnishing the Paying Agent with indemnity satisfactory to the Paying Agent and complying with such other reasonable regulations as the Paying Agent may prescribe and paying such expenses as the Paying Agent may incur, the Paying Agent shall, at the expense of the Owner, execute and deliver a new Bond of like date, interest rate, maturity, Transfer Amount and tenor in lieu of and in substitution for the Bond so destroyed, stolen or lost. Any new Bonds issued pursuant to this

Section in substitution for Bonds alleged to be destroyed, stolen or lost shall constitute original additional contractual obligations on the part of the District, whether or not the Bonds so alleged to be destroyed, stolen or lost are at any time enforceable by anyone, and shall be equally secured by and entitled to equal and proportionate benefits with all other Bonds issued under this Resolution in any moneys or securities held by the Paying Agent for the benefit of the Owners of the Bonds.

SECTION 16. Bond Register. The Paying Agent shall keep or cause to be kept at its office sufficient books for the registration and registration of transfer of the Bonds. Upon presentation for registration of transfer, the Paying Agent shall, as above provided and under such reasonable regulations as it may prescribe subject to the provisions hereof, register or register the transfer of the Bonds, or cause the same to be registered or cause the registration of the same to be transferred, on such books. While the Bonds are held in the book-entry system, the Paying Agent is not required to keep the Bond Register.

SECTION 17. Unclaimed Money. All money which the Paying Agent shall have received from any source and set aside for the purpose of paying or redeeming any of the Bonds shall be held in trust for the respective Owners of such Bonds, but any money which shall be so set aside or deposited by the Paying Agent and which shall remain unclaimed by the Owners of such Bonds for a period of one year after the date on which any payment or redemption with respect to such Bonds shall have become due and payable shall be transferred to the General Fund of the District; provided, however, that the Paying Agent, before making such payment, shall cause notice to be mailed to the Owners of such Bonds, by first-class mail, postage prepaid, not less than 90 days prior to the date of such payment to the effect that said money has not been claimed and that after a date named therein any unclaimed balance of said money then remaining will be transferred to the General Fund of the District. Thereafter, the Owners of such Bonds shall look only to the General Fund of the District for payment of such Bonds.

SECTION 18. Application of Proceeds.

(a) Upon the sale of the Bonds and at the further written instruction of an Authorized Officer, the Treasurer is hereby directed to apply or deposit a portion of the net proceeds thereof, exclusive of accrued interest and any original issue premium, into the Building Fund. The District shall, from time to time, disburse or cause to be disbursed amounts from the Building Fund to pay Project Costs. Amounts in the Building Fund shall be invested so as to be available for the aforementioned disbursements. The District shall keep a written record of disbursements from the Building Fund.

(b) Accrued interest, if any, and except as shall otherwise be directed by the District in accordance with applicable law, any original issue premium received by the District from the sale of the Bonds, shall be kept separate and apart in the fund hereby created and established and to be designated as the "El Rancho Unified School District 2013 General Obligation Bonds Debt Service Fund" (the "**Debt Service Fund**") and used only for payment of Principal of and interest on the Bonds. Any excess proceeds of the Bonds not needed for the authorized purposes set forth herein for which the Bonds are being issued shall be transferred to the Debt Service Fund and applied to the payment of the Principal of and interest on the Bonds.

The Treasurer is directed to create any accounts and subaccounts in the Debt Service Fund as provided in any Nonarbitrage Certificate.

(c) All Pledged Moneys (defined below) shall be deposited upon collection by the County into the Debt Service Fund and used for the payment of the Principal of, premium, if any, and interest on the Bonds.

(d) On the Business Day immediately preceding each Interest Payment Date if the Paying Agent is not the Treasurer, and on the Interest Payment Date if the Paying Agent is the Treasurer, the District shall transfer or cause to be transferred from the Debt Service Fund to the Paying Agent, an amount, in immediately available funds, sufficient to pay all the Principal of, premium, if any, and interest on the Bonds coming due (collectively, “**Debt Service**”) on such payment date. Debt Service on the Bonds shall be paid by the Paying Agent in the manner provided by law for the payment of Debt Service.

(e) The District shall cause moneys to be transferred to the Excess Earnings Fund, to the extent needed to comply with the Nonarbitrage Certificate. Any amounts on deposit in the Debt Service Fund when there are no longer any Bonds Outstanding shall be transferred to the General Fund of the District subject to any conditions set forth in the Nonarbitrage Certificate.

(f) Certain proceeds of the Bonds may be applied to pay Costs of Issuance as provided in Section 21 below.

(g) Except as required to satisfy the requirements of Section 148(f) of the Code or to comply with the provisions of any Nonarbitrage Certificate, interest earned on the investment of monies held in the Debt Service Fund shall be retained in the Debt Service Fund and used to pay principal and interest on the Bonds when due.

SECTION 19. Payment of and Security for the Bonds. There shall be levied on all the taxable property in the District, in addition to all other taxes a continuing direct *ad valorem* tax annually during the period the Bonds are outstanding in an amount sufficient to pay the Principal of and interest on the Bonds when due, which monies when collected will be placed in the Debt Service Fund of the District, which fund is irrevocably pledged for the payment of the Principal of and interest on the Bonds when and as the same fall due (the “**Pledged Moneys**”). The tax levy may include an allowance for an annual reserve, established for the purpose of avoiding fluctuating tax levies. The District covenants to cause the County to take all actions necessary to levy such *ad valorem* tax in accordance with this Section and Section 15140 of the Education Code and Section 53508.7 of the Government Code.

Except as required below to satisfy the requirements of Section 148(f) of the Code, interest earned on the investment of monies held in the Debt Service Fund shall be retained in the Debt Service Fund and used to pay Principal and interest on the Bonds when due.

SECTION 20. Establishment and Application of Excess Earnings Fund. There is hereby established in trust a special fund designated “El Rancho Unified School District 2013 General Obligation Bonds Excess Earnings Fund” (the “**Excess Earnings Fund**”) which shall be held by the County Office of Education for the account of the District and which shall be

kept separate and apart from all other funds and accounts held hereunder. The District shall transfer, or cause to be transferred, moneys to the Excess Earnings Fund in accordance with the provisions of the Nonarbitrage Certificate. Amounts on deposit in the Excess Earnings Fund shall only be applied to payments made to the United States or otherwise transferred to other accounts or funds established hereunder in accordance with the Nonarbitrage Certificate.

SECTION 21. Payment of Costs of Issuance. Proceeds of the sale of the Bonds necessary to pay all costs of issuing the Bonds shall be deposited in the fund of the District known as the "El Rancho Unified School District 2013 General Obligation Bonds Costs of Issuance Fund" (the "**Cost of Issuance Fund**") and shall be kept separate and distinct from all other District funds, and those proceeds shall be used solely for the purpose of paying Costs of Issuance of the Bonds. The Cost of Issuance Fund may be held and administered by the Paying Agent. Notwithstanding the foregoing, all or a portion of the costs of issuance may be paid by the Underwriter, by the Paying Agent or by a fiscal agent designated for such purpose. Any amounts retained for payment of Costs of Issuance and returned to the District pursuant to the Contract of Purchase shall be transferred to the Debt Service Fund to be applied to the payment of the Principal of and/or interest on the Bonds.

SECTION 22. Negotiated Sale/Method of Sale. The Bonds shall be sold by negotiated sale to the Underwriter inasmuch as: (i) such a sale will allow the District to integrate the sale of the Bonds with other public financings undertaken, or to be undertaken, by the District in order to refinance outstanding debt or finance and fund its public education facilities; (ii) such a sale will allow the District to utilize the services of consultants who are familiar with the financial needs, status and plans of the District; and (iii) such a sale will allow the District to control the timing of the sale of the Bonds to the municipal bond market and, potentially, take advantage of interest rate opportunities for favorable sale of the Bonds to such market and the generation of savings to the taxpayers of the District.

SECTION 23. Engagement of Consultants; Parameters of Sale. Caldwell Flores Winters, Inc. has been selected to act as financial advisor to the District. Nixon Peabody LLP has been selected as the District's bond and disclosure counsel and George K. Baum & Company has been selected to act as Underwriter with respect to the authorization, sale and issuance of the Bonds. The estimated costs of issuance associated with the sale of the Bonds are approximately 5.0% of the initial principal amount of the Bonds, which include the financial advisor fees, bond and disclosure counsel fees, costs of printing the Official Statement, rating agency fees, Paying Agent fees, the fees of the Financial Advisor and other related costs. In addition, the estimated Underwriter's discount, which is not included in the percentage above, is 0.9% of the estimated par amount. An estimate of the itemized fees and expenses is on file with the Superintendent. Bond insurance, if purchased, is estimated to cost \$40,000.

SECTION 24. Establishment of Additional Funds and Accounts. If at any time it is deemed necessary or desirable by the District, the Treasurer, the County Office of Education, the Paying Agent, or the District may establish additional funds under this Resolution and/or accounts within any of the funds or accounts established hereunder.

SECTION 25. Request for Necessary County Actions. The Board of Supervisors, the Auditor-Controller, the Treasurer, and other officials of the County, are hereby

requested to take and authorize such actions as may be necessary pursuant to law to provide for the levy and collection of a property tax on all taxable property of the District sufficient to provide for payment of all Principal of, redemption premium, if any, and interest on the Bonds as the same shall become due and payable as necessary for the payment of the Bonds, and the Clerk of the Board is hereby authorized and directed to deliver certified copies of this Resolution to the Clerk of the Board of Supervisors of the County, the Auditor-Controller of the County, and the Treasurer. The Board hereby agrees to reimburse the County for any costs associated with the levy and collection of said tax, upon such documentation of said costs as the District shall reasonably request.

SECTION 26. Redemption. The Bonds shall be subject to redemption as provided in the Contract of Purchase.

SECTION 27. Selection of Bonds for Redemption.

(a) Whenever provision is made in this Resolution or in the Contract of Purchase for the redemption of the Bonds and less than all Outstanding Bonds are to be redeemed, the Paying Agent, upon written instruction from the District given at least 60 days prior to the payment date designated for such redemption, shall select Bonds for redemption in the manner directed by the District.

(b) With respect to any Bonds designated as tax-exempt Bonds, within a series and maturity, the Paying Agent shall select such Bonds for redemption by lot. Redemption by lot shall be in such manner as the Paying Agent shall determine; provided, however, that the portion of any Current Interest Bond to be redeemed in part shall be in the Principal Amount of \$5,000 or any integral multiple thereof and the portion of any Capital Appreciation Bond to be redeemed in part shall be in the Maturity Amount of \$5,000 or any integral multiple thereof, and the portion of any Convertible CAB to be redeemed in part prior to its Conversion Date shall be in the Conversion Value of \$5,000 or any integral multiple thereof, and after the Conversion Date shall be in the Principal Amount of \$5,000 or integral multiple thereof. The Accreted Value of such Capital Appreciation Bond shall be determined by reference to a schedule to be provided to the Paying Agent.

(c) With respect to any Bonds designated as taxable Bonds by an Authorized Officer, if such Bonds are registered in book-entry only form and so long as DTC or a successor securities depository is the sole registered owner of such Bonds, if less than all of such Bonds of a series and maturity are called for prior redemption, the particular Bonds or portions thereof to be redeemed shall be selected on a "Pro Rata Pass Through Distribution of Principal" basis in accordance with DTC procedures, provided that, so long as such Bonds are held in book-entry form, the selection for redemption of such Bonds shall be made in accordance with the operational arrangements of DTC then in effect that currently provide for adjustment of the principal by a factor provided by the Paying Agent pursuant to DTC operational arrangements. If the Paying Agent does not provide the necessary information and identify the redemption as on a "Pro Rata Pass Through Distribution of Principal" basis, such Bonds will be selected for redemption in accordance with DTC procedures by lot. It is the District's intent that redemption allocations made by DTC, participants in DTC or such other intermediaries that may exist between the District and the Beneficial Owners be made on a "Pro Rata Pass Through

Distribution of Principal” basis as described above. In the event that such Bonds are no longer held by DTC or a successor securities depository, such Bonds shall be selected for redemption in the manner provided in the Contract of Purchase.

SECTION 28. Notice of Redemption. When redemption is authorized or required pursuant to this Resolution or the Contract of Purchase, the Paying Agent, upon written instruction from the District given at least 60 days prior to the payment date designated for such redemption, shall give notice (each, a **“Redemption Notice”**) of the redemption of the Bonds. Such Redemption Notice shall specify: (a) the Bonds or designated portions thereof (in the case of redemption of the Bonds in part but not in whole) which are to be redeemed, (b) the date of redemption, (c) the place or places where the redemption will be made, including the name and address of the Paying Agent, (d) the redemption price, (e) the CUSIP numbers (if any) assigned to the Bonds to be redeemed, (f) the Bond numbers of the Bonds to be redeemed in whole or in part and, in the case of any Bond to be redeemed in part only, the Principal Amount of such Bond to be redeemed, and (g) the original issue date, interest rate and stated maturity date of each Bond to be redeemed in whole or in part. Such Redemption Notice shall further state (a) that on the specified date there shall become due and payable upon each Bond or portion thereof being redeemed the (i) redemption price, together with the interest accrued to the redemption date in the case of Current Interest Bonds or Convertible CABs after the Conversion Date, (ii) the Accreted Value in the case of Capital Appreciation Bonds, or (iii) the Conversion Value in the case of Convertible CABs before the Conversion Date, and (b) that from and after such date interest with respect thereto shall cease to accrue and be payable.

The Paying Agent shall take the following actions with respect to such Redemption Notice:

(a) At least 20 but not more than 45 days prior to the redemption date, such Redemption Notice shall be given to the respective Owners of Bonds designated for redemption by first class mail, postage prepaid, at their addresses appearing on the Bond Register.

(b) In the event that the Bonds shall no longer be held in book-entry-only form, at least 35 but not more than 45 days before the redemption date, such Redemption Notice shall be given by (i) first class mail, postage prepaid, (ii) telephonically confirmed facsimile transmission, or (iii) overnight delivery service, to each of the Securities Depositories.

(c) In the event that the Bonds shall no longer be held in book-entry-only form, at least 35 but not more than 45 days before the redemption date, such Redemption Notice shall be given by (i) first class mail, postage prepaid, or (ii) overnight delivery service, to the MSRB.

Neither failure to receive any Redemption Notice nor any defect in any such Redemption Notice so given shall affect the sufficiency of the proceedings for the redemption of the affected Bonds. Each check issued or other transfer of funds made by the Paying Agent for the purpose of redeeming Bonds shall bear the CUSIP number identifying, by issue and maturity, the Bonds being redeemed with the proceeds of such check or other transfer.

SECTION 29. Partial Redemption of Bonds. Upon the surrender of any Bond redeemed in part only, the Paying Agent shall execute and deliver to the Owner thereof a new Bond or Bonds of like tenor and maturity and of authorized denominations equal in Transfer Amounts to the unredeemed portion of the Bond surrendered. Such partial redemption shall be valid upon payment of the amount required to be paid to such Owner, and the District shall be released and discharged thereupon from all liability to the extent of such payment.

Any Redemption Notice given hereunder may be made conditional upon the satisfaction of certain conditions and may be rescinded by the District at any time prior to the scheduled date of redemption by so notifying the Owners of affected Bonds and the Information Services.

SECTION 30. Effect of Notice of Redemption. Notice having been given as aforesaid, and the moneys for the redemption (including the interest to the applicable date of redemption) having been set aside in the Debt Service Fund, the Bonds to be redeemed shall become due and payable on such date of redemption.

If on such redemption date, money for the redemption of all the Bonds to be redeemed as provided in this Resolution and the Contract of Purchase, together with interest to such redemption date, shall be held by the Paying Agent so as to be available therefor on such redemption date, and if notice of redemption thereof shall have been given as aforesaid, then from and after such redemption date, interest with respect to the Bonds to be redeemed shall cease to accrue and become payable. All money held by or on behalf of the Paying Agent for the redemption of Bonds shall be held in trust for the account of the Owners of the Bonds so to be redeemed.

All Bonds paid at maturity or redeemed prior to maturity pursuant to the provisions of this Resolution and the Contract of Purchase shall be cancelled upon surrender thereof and delivered to or upon the order of the District. All or any portion of a Bond purchased by the District shall be cancelled by the Paying Agent upon written notice by the District given to the Paying Agent.

SECTION 31. Paying Agent; Appointment and Acceptance of Duties.

(a) The Treasurer or his or her designated agent is hereby appointed as the initial authenticating agent, bond registrar, transfer agent and paying agent (collectively, the “**Paying Agent**”). The Treasurer is authorized to contract with any third party to perform the services of Paying Agent under this Resolution. All fees and expenses incurred for services of the Paying Agent, including its third party agents, shall be the sole responsibility of the District. The Paying Agent shall keep accurate records of all funds administered by it and all of the Bonds paid and discharged by it.

(b) Unless otherwise provided, the office of the Paying Agent designated by the Paying Agent shall be the place for the payment of Principal of, premium, if any, and interest on the Bonds.

SECTION 32. Liability of Paying Agent. The Paying Agent makes no representations as to the validity or sufficiency of this Resolution or of any Bonds issued

hereunder or as to the security afforded by this Resolution, and the Paying Agent shall incur no liability in respect hereof or thereof.

SECTION 33. Evidence on Which Paying Agent May Act. The Paying Agent, upon receipt of any notice, resolution, request, consent, order, certificate, report, opinion, bond, or other paper or document furnished to it pursuant to any provision of this Resolution, shall examine such instrument to determine whether it conforms to the requirements of this Resolution and shall be protected in acting upon any such instrument believed by it to be genuine and to have been signed or presented by the proper party or parties. The Paying Agent may consult with counsel, who may or may not be counsel to the District, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by it under this Resolution in good faith and in accordance therewith.

SECTION 34. Compensation. The District shall pay to the Paying Agent from time to time reasonable compensation for all services rendered under this Resolution, and also all reasonable expenses, charges, counsel fees and other disbursements, including those of its attorneys, agents, and employees, incurred in and about the performance of their powers and duties under this Resolution, all of which may, pursuant to Education Code Section 15232, be paid from the County's annual levy of *ad valorem* taxes.

SECTION 35. Ownership of Bonds Permitted. The Paying Agent or the Underwriter may become the Owner of any Bonds.

SECTION 36. Resignation or Removal of Paying Agent and Appointment of Successor.

(a) The initially appointed Paying Agent may resign from service as Paying Agent at any time. Prior to such resignation a new Paying Agent shall be appointed by the District in accordance with applicable law, which shall be the Treasurer or a bank or trust company doing business in and having a corporate trust office in Los Angeles or San Francisco, California, with at least \$50,000,000 in net assets. Such successor Paying Agent shall signify the acceptance of its duties and obligations hereunder by executing and delivering to the District a written acceptance thereof. Resignation of the initial or a successor Paying Agent shall be effective upon appointment and acceptance of a successor Paying Agent.

(b) Any Paying Agent appointed may resign from service as Paying Agent and may be removed at any time by the District as provided in the Paying Agent's service agreement. If at any time the Paying Agent shall resign or be removed, a new Paying Agent shall be appointed in accordance with applicable law, which shall be either the Treasurer or a bank or trust company doing business in and having a corporate trust office in Los Angeles or San Francisco, California, with at least \$50,000,000 in net assets. Such successor Paying Agent shall signify the acceptance of its duties and obligations hereunder by executing and delivering to the District, a written acceptance thereof. Resignation or removal of the Paying Agent shall be effective upon appointment and acceptance of a successor Paying Agent.

(c) In the event of the resignation or removal of the Paying Agent, such Paying Agent shall pay over, assign and deliver any moneys held by it as Paying Agent to its

successor. The District shall promptly provide notice of the name and principal corporate trust office address of the Paying Agent appointed to replace any resigned or removed Paying Agent to the Owners of the Bonds by first class mail, postage prepaid, at their addresses appearing on the Bond Register.

SECTION 37. Investment of Certain Funds. Moneys held in all funds and accounts established hereunder shall be invested and reinvested in Authorized Investments to the fullest extent practicable as shall be necessary to provide moneys when needed for payments to be made from such funds and accounts, subject to any conditions in the Nonarbitrage Certificate. Nothing in this Resolution shall prevent any investment securities acquired as investments of funds held hereunder from being issued or held in book entry form on the books of the Department of Treasury of the United States. All investment earnings on amounts on deposit in the Debt Service Fund shall remain on deposit in such fund.

SECTION 38. Valuation and Sale of Investments. Obligations purchased as an investment of moneys in any fund or account shall be deemed at all times to be a part of such fund or account. Profits or losses attributable to any fund or account shall be credited or charged to such fund or account. In computing the amount in any fund or account created under the provisions of this Resolution for any purpose provided in this Resolution, obligations purchased as an investment of moneys therein shall be valued at cost, plus, where applicable, accrued interest.

SECTION 39. Supplemental Resolutions with Consent of Owners. This Resolution, and the rights and obligations of the District and of the Owners of the Bonds issued hereunder, may be modified or amended at any time by a Supplemental Resolution adopted by the District with the written consent of Owners owning at least 60% in aggregate Principal Amount of the Outstanding Bonds, exclusive of Bonds, if any, owned by the District. Notwithstanding the foregoing, no such modification or amendment shall, without the express consent of the Owner of each Bond affected, reduce the Principal Amount of any Bond, reduce the interest rate payable thereon, advance the earliest redemption date thereof, extend its maturity or the times for paying interest thereon or change the monetary medium in which Principal and interest is payable, nor shall any modification or amendment reduce the percentage of consents required for amendment or modification. No such Supplemental Resolution shall change or modify any of the rights or obligations of any Paying Agent without its written assent thereto. Notwithstanding anything herein to the contrary, no such consent shall be required if the Owners are not directly and adversely affected by such amendment or modification.

SECTION 40. Supplemental Resolutions Effective Without Consent of Owners. For any one or more of the following purposes and at any time or from time to time, a Supplemental Resolution of the District may be adopted, which, without the requirement of consent of the Owners, shall be fully effective in accordance with its terms:

(a) To add to the covenants and agreements of the District in this Resolution, other covenants and agreements to be observed by the District which are not contrary to or inconsistent with this Resolution as theretofore in effect;

(b) To add to the limitations and restrictions in this Resolution, other limitations and restrictions to be observed by the District which are not contrary to or inconsistent with this Resolution as theretofore in effect;

(c) To confirm as further assurance, any pledge under, and the subjection to any lien or pledge created or to be created by this Resolution, of any moneys, securities or funds, or to establish any additional funds, or accounts to be held under this Resolution;

(d) To cure any ambiguity, supply any omission, or cure to correct any defect or inconsistent provision in this Resolution; or

(e) To amend or supplement this Resolution in any other respect, provided such Supplemental Resolution does not, in the opinion of Bond Counsel, adversely affect the interests of the Owners.

SECTION 41. Effect of Supplemental Resolution. Any act done pursuant to a modification or amendment so consented to shall be binding upon the Owners of all the Bonds and shall not be deemed an infringement of any of the provisions of this Resolution, whatever the character of such act may be, and may be done and performed as fully and freely as if expressly permitted by the terms of this Resolution, and after consent relating to such specified matters has been given, no Owner shall have any right or interest to object to such action or in any manner to question the propriety thereof or to enjoin or restrain the District or any officer or agent thereof from taking any action pursuant thereto.

SECTION 42. Defeasance. If any or all Outstanding Bonds shall be paid and discharged in any one or more of the following ways:

- (1) by paying or causing to be paid the Principal, premium, if any, and interest on such Bonds, and when the same become due and payable;
- (2) by depositing with the Paying Agent, in trust, at or before maturity, cash which together with the amounts then on deposit in the Debt Service Fund (and the accounts therein other than amounts that are not available to pay Debt Service) together with the interest to accrue thereon without the need for further investment, is fully sufficient to pay such Bonds at maturity thereof, including any premium and all interest thereon, notwithstanding that any Bonds shall not have been surrendered for payment; or
- (3) by depositing with an institution that meets the requirements of serving as successor Paying Agent pursuant to Section 36 selected by the District, in trust, lawful money or noncallable direct obligations issued by the United States Treasury (including State and Local Government Series) or obligations which are unconditionally guaranteed by the United States of America and permitted under Section 149(b) of the Code and Regulations which, in the opinion of nationally recognized bond counsel, will not impair the exclusion from gross income for federal income tax purposes of interest on the Bonds, in such amount as will, together with the interest to accrue thereon without the need for further investment, be fully sufficient

to pay and discharge such Bonds at maturity or earlier redemption thereof, for which notice has been given or provided for, including any premium and all interest thereon, notwithstanding that any Bonds shall not have been surrendered for payment;

then all obligations of the District and the Paying Agent under this Resolution with respect to such Bonds shall cease and terminate, except only the obligation of the Paying Agent to pay or cause to be paid to the Owners of such Bonds all sums due thereon, and the obligation of the District to pay to the Paying Agent amounts owing to the Paying Agent under Section 34 hereof.

SECTION 43. Bond Insurance. All or a portion of the Bonds may be sold with bond insurance or other form of credit enhancement, if an Authorized Officer determines that the savings to the District resulting from the purchase of such bond insurance exceeds the cost thereof.

SECTION 44. Approval of Actions; Miscellaneous.

(a) The Superintendent and the other officers of the District are hereby authorized and directed, jointly and severally, to do any and all things and to execute and deliver any and all documents which they may deem necessary or advisable in order to proceed with the issuance of the Bonds or otherwise carry out, give effect to and comply with the terms and intent of this Resolution. Such actions heretofore taken by such officers, officials and staff are hereby ratified, confirmed and approved.

(b) The County, its Board of Supervisors, officers, agents, and employees shall not be responsible for any proceedings or the preparation or contents of any resolutions, certificates, statements, disclosures, notices, contracts, or other documents relating to the sale and issuance of the Bonds.

(c) The Principal of and interest and redemption premium (if any) on the Bonds shall not constitute debt or an obligation of the County, the Board of Supervisors, officers, agents, or employees, and the County, the Board of Supervisors, officers, agents, and employees thereof shall not be liable thereon. In no event shall the Principal of and interest and redemption premium (if any) on any Bond be payable out of any funds or property of the County.

(d) The Clerk shall send a certified copy of this Resolution, together with the final debt service schedule for the Bonds, to the Treasurer.

SECTION 45. Conflicts. If there is any inconsistency or conflict between any provision of this Resolution and any provision of the Contract of Purchase, the Contract of Purchase prevails to the extent of the inconsistency or conflict. If there is any inconsistency or conflict between any provision of this Resolution and any provision of the Nonarbitrage Certificate, the Nonarbitrage Certificate prevails to the extent of the inconsistency or conflict.

SECTION 46. Effective Date. This Resolution shall take effect immediately upon its passage.

PRINCIPAL AMOUNT:

The El Rancho Unified School District (the "District") of the County of Los Angeles (the "County"), State of California, for value received, hereby acknowledges itself indebted and promises to pay to the Registered Owner named above, or registered assigns, the Principal Amount set forth above, on the Maturity Date set forth above, together with interest thereon from the Dated Date set forth above until the Principal Amount hereof shall have been paid or provided for, in accordance with the Resolution hereinafter referred to, at the Interest Rate set forth above. Interest on this Bond is payable on February 1, 2014, and semiannually thereafter on the first day of February and August (each, an "Interest Payment Date") in each year to the registered owner hereof (the "Owner") from the Interest Payment Date next preceding the date on which this Bond is registered (unless it is registered after the close of business on the fifteenth calendar day of the month preceding any Interest Payment Date (a "Record Date") and before the close of business on the immediately following Interest Payment Date, in which event it shall bear interest from such following Interest Payment Date, or unless this Bond is registered prior to the close of business on January 15, 2014, in which event it shall bear interest from its date;

provided, however, that if at the time of registration of this Bond interest with respect hereto is in default, interest with respect hereto shall be payable from the Interest Payment Date to which interest has previously been paid or made available for payment. The principal amount hereof is payable at the office of U.S. Bank National Association, as agent for the Treasurer and Tax Collector of the County, as initial paying agent (the "Paying Agent"), in Los Angeles, California. The interest hereon is payable by check or draft mailed by first class mail to each Owner, at his address as it appears on the registration books kept by the Paying Agent as of the Record Date, or by wire transfer to any Owner of \$1,000,000 aggregate principal amount of Current Interest Bonds, to the account specified by such Owner in a written request delivered to the Paying Agent on or prior to the Record Date for such Interest Payment Date.

The Bonds of this issue are comprised of \$_____ principal amount of Current Interest Bonds, of which this Bond is a part (a "Current Interest Bond"), \$_____ Denominational Amount of Capital Appreciation Bonds and \$_____ Denominational Amount of Convertible Capital Appreciation Bonds. This Bond is issued by the District under and in accordance with the provisions of (i) Article 4.5 of Chapter 3 of Part 1 of Division 2 of Title 5 of the Government Code of the State of California (the "Act"); (ii) applicable provisions of the Education Code of the State of California; and (iii) Article XIII A of the California Constitution, and pursuant to a resolution of the Board of Education of the District adopted on October 10, 2013 (the "Resolution"). Reference is hereby made to the Resolution, a copy of which is on file at the District, for a description of the terms on which the Bonds are delivered, and the rights thereunder of the Owners of the Bonds and the rights and duties of the Paying Agent and the District, to all of the provisions of which the Owner of this Bond, by acceptance hereof, assents and agrees. All capitalized terms used but not otherwise defined herein shall have the respective meanings set forth in the Resolution. The Bonds were authorized by a vote of more than 55% of the qualified electors of the District voting on the proposition at a general election held therein to determine whether such Bonds should be issued.

Reference is made to the Resolution for a more complete description of the provisions, among others, with respect to the nature and extent of the security for the Bonds of this series, the rights, duties and obligations of the District, the County, the Paying Agent and the Owners, and the terms and conditions upon which the Bonds are issued and secured. The Owner of this Bond assents, by acceptance hereof, to all of the provisions of the Resolution.

This Bond is a general obligation of the District, payable as to both principal and interest from *ad valorem* taxes which, under the laws now in force, may be levied without limitation as to rate or amount upon all of the taxable property in the District. Neither the payment of the principal of this Bond, or any part thereof, nor any interest or premium hereon constitute a debt, liability or obligation of the County.

The Current Interest Bonds maturing on or before August 1, 20__ shall not be subject to redemption prior to their maturity dates. The Current Interest Bonds maturing on or after August 1, 20__ may be redeemed before maturity at the option of the District, from any source of funds, on August 1, 20__ or on any date thereafter as a whole, or in part. For the purposes of such selection, Current Interest Bonds will be deemed to consist of \$5,000 portions by principal amount, and any such portion may be separately redeemed.

Current Interest Bonds maturing on August 1, 20__, are subject to mandatory sinking fund redemption on August 1 of each year, commencing August 1, 20__, in the following principal amounts, at a redemption price of par, plus accrued interest to the redemption date:

Whenever provision is made for the redemption of Bonds and less than all outstanding Bonds are to be redeemed, the Paying Agent, upon written instruction from the District given at least 60 days prior to the date designated for such redemption, shall select Bonds for redemption in such order as the District may direct. Within a maturity, the Paying Agent shall select Bonds for redemption by lot. The portion of any Bond to be redeemed in part shall be in the principal amount of \$5,000 or any integral multiple thereof.

This Bond is issued in fully registered form. Registration of this Bond is transferable by the Owner hereof, in person or by his attorney duly authorized in writing, at the aforesaid offices of the Paying Agent, but only in the manner, subject to the limitations, and upon payment of the charges, provided in the Resolution and upon surrender and cancellation of this Bond. Upon such registration of transfer, a new Bond or Bonds of like tenor and maturity in the same Transfer Amount and in authorized denominations will be issued to the transferee in exchange herefor. The District and the Paying Agent may treat the Owner hereof as the absolute owner hereof for all purposes, whether or not this Bond shall be overdue, and shall not be affected by any notice to the contrary.

The Paying Agent shall not be required to register the transfer or exchange of any Bond (i) during the period beginning at the close of business on any Record Date through the close of business on the immediately following Interest Payment Date, or (ii) that has been called or is subject to being called for redemption, during a period beginning at the opening of business 15 days before any selection of Bonds to be redeemed through the close of business on the applicable redemption date, except for the unredeemed portion of any Bond to be redeemed only in part.

The rights and obligations of the District and of the owners of the Bonds may be modified or amended at any time by a supplemental resolution adopted by the District with the written consent of owners of at least 60% in aggregate Principal Amount of the Outstanding Bonds, exclusive of Bonds, if any, owned by the District; *provided, however*, that no such modification or amendment shall, without the express consent of the Owner of each Bond affected, reduce the Principal Amount of any Bond, reduce the interest rate payable thereon, extend its maturity or the times for paying interest thereon or change the monetary medium in which the Principal and interest is payable, nor shall any modification or amendment reduce the percentage of consents required for amendment or modification hereof.

A supplemental resolution of the District may be adopted, which, without the requirement of consent of the registered owners, shall be fully effective in accordance with its terms: (1) to add to the covenants and agreements of the District in the Resolution, other covenants and agreements to be observed by the District which are not contrary to or inconsistent with the Resolution as theretofore in effect; (2) to add to the limitations and restrictions in the Resolution, other limitations and restrictions to be observed by the District which are not contrary to or inconsistent with the Resolution as theretofore in effect; (3) to confirm as further assurance, any pledge under, and the subjection to any lien or pledge created or to be created by the Resolution, of any moneys, securities or funds, or to establish any additional funds or accounts to be held under the Resolution; (4) to cure any ambiguity, supply any omission, or cure or correct any defect or inconsistent provision in the Resolution; or (5) to amend or supplement the Resolution in any other respect, provided such supplemental resolution does not, in the opinion of nationally recognized bond counsel, adversely affect the interests of the owners.

If this Bond is called for redemption and the principal amount of this Bond plus premium, if any, and accrued interest due with respect hereto are duly provided therefor as specified in the Resolution, then interest shall cease to accrue with respect hereto from and after the date fixed for redemption.

This Bond shall not become valid or obligatory for any purpose until the Certificate of Authentication hereon endorsed shall have been dated and executed manually by the Paying Agent.

IT IS HEREBY CERTIFIED, RECITED AND DECLARED, that an election was duly and legally called, held and conducted, and the notices thereof duly given, and the results thereof canvassed and declared in accordance with the provisions of the Act and that all of the proceedings of the Board of Education of the District in the matter of the issuance of this Bond were regular and in strict accordance with the provisions of the Act, including the Constitution of the State of California, that the total bonded indebtedness of the District, including the issue of which this Bond is a part, does not exceed any limit prescribed by said Act, and that due provision has been made for levying and collecting *ad valorem* property taxes on all of the taxable property within the District in an amount sufficient to pay Principal and interest when due.

IN WITNESS WHEREOF, the El Rancho Unified School District has caused this Bond to be executed in their official capacities by the manual or facsimile signature of the President of the Board of Education of the District and countersigned by the manual or facsimile signature of the Clerk of the Board of Education of the District as of the date stated above.

This Bond will not bear current interest but will accrete interest, compounded on each February 1 and August 1, commencing February 1, 2014, at the Reoffering Yield specified above to the dated Conversion Date, assuming that in any such semiannual period the sum of such compounded accreted interest and the Principal Amount (such sum being herein called the "Accreted Value") increases in equal daily amounts on the basis of a 360-day year consisting of

twelve 30-day months. After the Conversion Date, the District, for value received, promises to pay to the Owner (as defined herein) interest on the Accreted Value as of the Conversion Date (the "Conversion Value") until the Maturity Value (*i.e.* the Conversion Value) is paid or provided for at the Interest Rate stated above, on February 1 and August 1 of each year (the "Bond Payment Dates"), commencing August 1, 20__ (the first anniversary of Conversion Date). Following the Conversion Date, this Bond will bear interest on a current basis from the Conversion Date; such interest will be payable each February 1 and August 1, commencing _____, 20__. Principal (*i.e.*, Conversion Value or Maturity Value) and interest are payable in lawful money of the United States of America, without deduction for the paying agent services, to the person in whose name this Bond (or, if applicable, one or more predecessor Bonds) is registered (the "Owner") on the register maintained by U.S. Bank National Association, as agent for the Treasurer and Tax Collector of Los Angeles County, as initial paying agent, in Los Angeles, California, paying agent, registrar and transfer agent of the District (herein called the "Paying Agent"), including its designated agents, successors and assigns acting in such capacity. Conversion Value and redemption premium, if any, are payable upon presentation and surrender of this Bond at the principal office of the Paying Agent. The Bonds were authorized by a vote of more than 55% of the qualified electors of the District voting on the proposition at an election held therein to determine whether such Bonds should be issued.

The Bonds of this issue are comprised of \$_____ Denominational Amount of Convertible Capital Appreciation Bonds of which this Bond is a part (a "Convertible Capital Appreciation Bond") and the Maturity Value of \$_____, \$_____ of Denominational Amount of Capital Appreciation Bonds and \$_____ Principal Amount of Current Interest Bonds. Reference is hereby made to the Resolution, a copy of which is on file at the office of the District, for a description of the terms on which the Bonds are delivered, and the rights thereunder of the Owners of the Bonds and the rights and duties of the Paying Agent and the District, to all of the provisions of which the Owner of this Bond, by acceptance hereof, assents and agrees. All capitalized terms used but not otherwise defined herein shall have the respective meanings set forth in the Resolution.

Reference is made to the Resolution for a more complete description of the provisions, among others, with respect to the nature and extent of the security for the Bonds of this series, the rights, duties and obligations of the District, the County, the Paying Agent and the Owners, and the terms and conditions upon which the Bonds are issued and secured. The Owner of this Bond assents, by acceptance hereof, to all of the provisions of the Resolution.

The Convertible Capital Appreciation Bonds maturing on August 1, 20__ may be redeemed before maturity at the option of the District, from any source of available funds, in whole or in part, at the direction of the District, on any date on or after August 1, 20__ at a redemption price equal to the principal amount thereof, together with accrued interest to the date of redemption, without premium.

Whenever provision is made for the redemption of the Bonds and less than all outstanding Bonds are to be redeemed, the Paying Agent, upon written instruction from the District given at least 60 days prior to the date designated for such redemption, shall select Bonds for redemption in such order as the District may direct. Within a maturity, the Paying Agent shall select Bonds for redemption by lot. The portion of any Bond to be redeemed in part shall be in the Conversion Value of \$5,000 or any integral multiple thereof.

This Bond is issued in fully registered form. Registration of this Bond is transferable by the Owner hereof, in person or by his attorney duly authorized in writing, at the aforesaid offices of the Paying Agent, but only in the manner, subject to the limitations, and upon payment of the charges, provided in the Resolution and upon surrender and cancellation of this Bond. Upon such registration of transfer, a new Bond or Bonds, of like tenor and maturity in the same Transfer Amount and in authorized denominations will be issued to the transferee in exchange herefor. The District and the Paying Agent may treat the Owner hereof as the absolute owner hereof for all purposes, whether or not this Bond shall be overdue, and shall not be affected by any notice to the contrary.

The Paying Agent shall not be required to register the transfer or exchange of any Bond (i) during the period beginning at the close of business on any Record Date through the close of business on the immediately following Interest Payment Date, or (ii) that has been called or is subject to being called for redemption, during a period beginning at the opening of business 15 days before any selection of Bonds to be redeemed through the close of business on the applicable redemption date, except for the unredeemed portion of any Bond to be redeemed only in part.

The rights and obligations of the District and of the owners of the Bonds may be modified or amended at any time by a supplemental resolution adopted by the District with the written consent of owners of at least 60% in aggregate Principal Amount of the Outstanding Bonds, exclusive of Bonds, if any, owned by the District; *provided, however*, that no such modification or amendment shall, without the express consent of the registered owner of each Bond affected, reduce the Principal Amount of any Bond, reduce the interest rate payable thereon, extend its maturity or the times for paying interest thereon or change the monetary medium in which the Principal and interest is payable, nor shall any modification or amendment reduce the percentage of consents required for amendment or modification hereof.

A supplemental resolution of the District may be adopted, which, without the requirement of consent of the registered owners, shall be fully effective in accordance with its terms: (1) to add to the covenants and agreements of the District in the Resolution, other covenants and agreements to be observed by the District which are not contrary to or inconsistent with the Resolution as theretofore in effect; (2) to add to the limitations and restrictions in the Resolution, other limitations and restrictions to be observed by the District which are not contrary to or inconsistent with the Resolution as theretofore in effect; (3) to confirm as further assurance, any pledge under, and the subjection to any lien or pledge created or to be created by the Resolution, of any moneys, securities or funds, or to establish any additional funds or accounts to be held under the Resolution; (4) to cure any ambiguity, supply any omission, or cure or correct any defect or inconsistent provision in the Resolution; or (5) to amend or supplement the Resolution

in any other respect, provided such supplemental resolution does not, in the opinion of nationally recognized bond counsel, adversely affect the interests of the owners.

If this Bond is called for redemption and the Principal Amount of this Bond plus premium, if any, and accrued interest due with respect hereto are duly provided therefor as specified in the Resolution, then interest shall cease to accrue with respect hereto from and after the date fixed for redemption.

This Bond shall not be valid or obligatory for any purpose and shall not be entitled to any security or benefit under the Resolution until the Certificate of Authentication below has been signed.

IT IS HEREBY CERTIFIED, RECITED AND DECLARED, that an election was duly and legally called, held and conducted, and the notices thereof duly given, and the results thereof canvassed and declared in accordance with the provisions of the Act and that all of the proceedings of the Board of Education of the District in the matter of the issuance of this Bond were regular and in strict accordance with the provisions of the Act and of the Constitution of the State of California, that the total bonded indebtedness of the District, including the issue of which this Bond is a part, does not exceed any limit prescribed by said Act, and that due provision has been made for levying and collecting *ad valorem* property taxes on all of the taxable property within the District in an amount sufficient to pay principal and interest when due.
